

Setup For High School

A performance is one hour long. This does NOT include time for students to make it to the gym and be settled. We suggest allocating 10-15 minutes additional time to allow students to settle.

How should we introduce D.O.?

Duane Gibson aka D.O. is a Guinness World Record setting rapper and University graduate that has been inspiring hundreds of thousands of youth since 2001. He's had ten videos play in rotation on Muchmusic and in the last two years he has performed in France, Sweden, Singapore and Taiwan.

D.O. is here to tell us ways to Stay Driven and to let us know that "Can't Nobody Hold Me Down."

Tip: Have a student introduce D.O. and provide them with this info so they can come up with their own introduction.

What Equipment Does D.O. Need?

- Multimedia Projector that can be connected to a computer

D.O. will bring a sound system, wireless mic and laptop.

Tip: Having equipment setup 30 minutes prior to the presentation ensures everything runs smoothly and presentation begins on time.

Who do we make the cheque payable to?

Make all cheques payable to: **Northstarr Entertainment Inc.**

Additional Info:

A bottle of water is not required but is always appreciated prior to performance.

At high school performances I am often approached by students afterwards to purchase my CD's and books. I will usually bring a few extra copies for sale. The price for CD's are \$5 and books for \$12. If this is an issue with this, please let us know and we will alert students that there are no sales at the school.
